

How to report CPR/BLS for CE Credit

Texas Board of Optometry

A new requirement for CPR/BLS certification is in place for beginning with the 2023 renewal. You will receive CE Credit for these courses as well as marking your certification requirement as complete.

To report your course:

1. Log into your CE Broker account, click **Report CE**

2. Scroll to find the option for either CPR or BLS and click **Continue**

BLS CERTIFICATION/RECERTIFICATION

3. Answer the questions about the course you completed, clicking **Continue** at the bottom of each page
4. Last, upload a copy of your certification as the supporting documentation.
5. Submit your entry and look for a big green checkmark to signify the entry is complete

You will receive credit hours for the course towards your CE requirements and also show the CPR/BLS requirement as Completed, both will happen with your single reported entry.
